ATALANTA

**Supporting Equality
and Advancing
Inclusion in the
Marine and
Maritime sector**

About

ATALANTA is an **Erasmus+ project** promoting gender equality and inclusion in the blue economy through innovative education, immersive VR/XR learning, and mentorship.

The project focuses on:

- Inclusive maritime education
- Women's empowerment
- Digital innovation
- Leadership development
- Sustainable blue careers

Connecting people, technology and industry to shape the future of maritime skills

Objectives

Increase access to inclusive education for women in the maritime sector.

Develop digital tools (VR/AR) that improve experiential learning in maritime training.

Promote mentorship and networking opportunities for women in the blue economy.

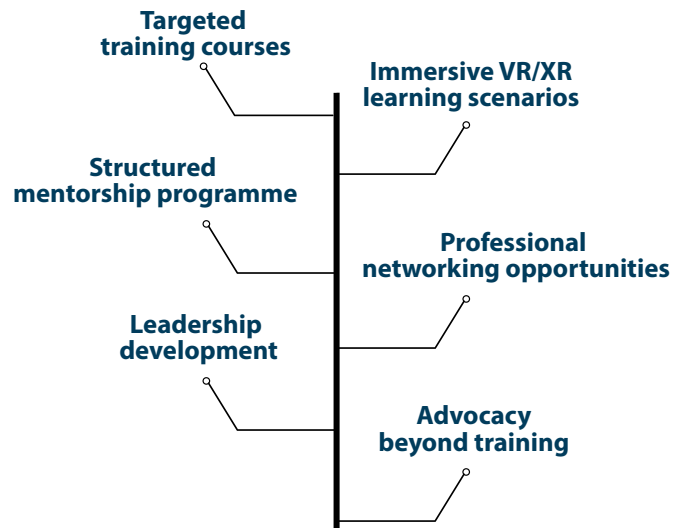

Advocate for gender equity and inclusion in maritime workplaces.

Ensure sustainability and scalability through open resources and partnerships.

The “Women Rise” Package

Key Innovations

Inclusive curriculum
Tailored educational tools for women in maritime professions.

VR/AR Experiential Training
Immersive learning through realistic scenarios.

Woman Rise Package
Structured mentorship, peer networking, and leadership development.

Capacity-building activities
To mainstream gender-sensitive and inclusive practices

Comprehensive framework
For evaluation, dissemination, sustainability, and scale-up across Europe.
